Pray This Week

GraceLife Church - Comox Valley, BC - Jeremy Peters

Hopewell Clinic and Pregnancy Centre

Church Family: Cory & Lisa Durant, Hannah, Malcolm & Wren

The clinic is located here in Kamloops and we are very blessed to be able to have a centre like this in our city. Let’s continue to pray for them as they encounter many difficult situations each and every day.

A little bit about Hopewell and their scope of care:

Clinic: Their clinic is staffed by registered health care providers. It is a registered nurse led clinic. The nurses provide pregnancy options support and are certified to provide STI testing and treatment. Ongoing medical care for pregnancy is beyond the scope of a registered nurse; therefore, each client is advised to see a primary care provider such as a nurse practitioner or doctor following their appointment. They do not provide ongoing primary health care including prenatal care, contraception, PEP/PrEP, abortions or arranging abortions.

Perinatal Outreach Program: The volunteer peer mentors provide support under the supervision of the registered nursing team. They offer peer mentoring and facilitate perinatal education, support clients while they utilize the boutiques, and make community referrals. The certified volunteer doula provides labour and delivery support.

Wholistic Wellness Initiative: The Life Coach provides one-on-one and group life coaching and life skills workshops. The peer mentors support clients with parenting life skills development.
