

LAST DAY TO BUY A HEATER!

We have collected enough funds for 5 heaters!!! Today will be the last day of collecting money for this project.

The Northern Cross Community Church is a church plant through Mile One Mission that we support financially and

through prayer. John Lewis is their pastor. They are a congregation of approximately 25 and they are in need of baseboard heaters for the church building.

Our goal was to purchase 10 which was a pretty big undertaking— but we are half way there!

Thank you to everyone who has contributed!

On the table in the foyer you will find a display with a green jug. The green jug is for the donations. The display will give you more information about Mile One Mission and about the Northern Cross Community Church.

Following are the different ways you can donate:

***Cash/cheque** in the green jug

***Offering envelope** marked “Baseboard Heaters”

Pray This Week:

- GraceLife Church—Comox Valley, BC—Jeremy Peters
- D'Arcy Chapman—Wycliffe Bible Translators—Africa
 - For our church family: Jayme Gyger

D'Arcy Chapman
Wycliffe Bible Translators
Canada

D'Arcy Chapman is currently in the Vancouver area working remotely with an SIL team in West Africa who are doing Bible translation for groups of people who do not have the Bible in their own language. Most of the work is in Côte d'Ivoire (Ivory Coast).

Prayer & Praise Items:

- Pray for God's provision in regard to financial support. D'Arcy only needs another 17% of his funding to hit 100%! Continue to seek God for His provision of these funds for him.
- Pray for D'Arcy's health. He was diagnosed with a severe vitamin D deficiency in late August and is still awaiting the results of tests to determine the source of some abdominal pain.
- Pray that God would give His peace as D'Arcy is visiting and speaking at multiple churches.
- Pray for the SIL Côte d'Ivoire team. Tim Gaved, D'Arcy's former supervisor and most senior linguist, passed away from liver cancer at the end of August. Pray for Tim's family as well.
- A praise item! One of the translation projects in Côte d'Ivoire has restarted!
