

FUNDAMENTALS OF THE FAITH

Course: Fundamentals of the Faith

Teacher: Bill Stenekes

Textbook: Fundamentals of the Faith

Expectations: Attend the class, complete the workbook lesson, listen to a sermon for each lesson and memorize scripture.

Course Description: At the center of Fundamentals of the Faith is the belief that the essence of Christianity is truth – truth about God the Father, Christ, and the Holy Spirit; truth about man’s sin and God’s plan of salvation; and truth about God’s revealed will for the church and our individual lives. What you believe matters, and it matters eternally. Christianity is a faith anchored on the truths in the Bible, which is God’s only inspired written revelation.

This course would prove beneficial to the following kinds of people:

1. New believers who are seeking to grow in their faith
2. Those who are engaged in evangelistic outreach
3. Those investigating Biblical Christianity
4. Those seeking to grow in their understanding of the basic doctrines
of our faith

It provides new believers with a rock-solid theological foundation. It helps more mature Christians sharpen their understanding of key doctrines and it equips them for evangelism and discipleship. It also fosters the kind of unity that truly matters in the church – the unity that is based on a shared understanding of God’s truth.

Fundamentals of the Faith has played a key role in the spiritual growth of many from our congregation in the past. And it is our prayer that God would continue to use it in the lives of those who will take it this semester as we grow together in our understanding of the fundamentals of the Christian faith.
